North Township trustee, state senator galvanizing support to end child sex abuse throughout Indiana

The two Franks – North Township Trustee Mrvan and his father, state senator Mrvan – are working to end child sexual abuse throughout Indiana.

Known as No More Secrets, they are doing what they do best.

In Indianapolis, state Sen. Mrvan is championing a bill that requires the Indiana Department of Education to provide model policies and reporting procedures for child sexual abuse. The law will assist districts with implementing sexual abuse education programs in grades K-12 no later than July 1, 2018.

The bill passed the state Senate Feb. 13 and will be introduced in the House later this month.

Closer to home, the trustee is launching No More Secrets March 13-17 at the five school districts in North Township.

He won't be alone.

Support for the effort to reduce child sexual abuse continues to grow with awareness that Indi-

TOWNSHIP PARTNERS WITH LAUW TO PROVIDE ADDITIONAL ASSISTANCE

North Township is partnering with Lake Area United Way to make resources easier to find for families in need.

Known as the United for Families Network, the goal of the new initiative is to create a coalition of social service agencies, faith-based organizations and government entities that deliver services to Lake County households that do not earn enough to pay for their basic needs.

Known as ALICE (Asset Limited, Income Constrained, Employed) families, this demographic represents one in four households in Lake County.

“We are attacking problems facing ALICE families while searching for solutions for lasting, sustainable change,” said Kristin Marlow-Kellemen, United for Families Network Coordinator. “Bringing organizations together will

foster collaboration among providers and strengthen support for ALICE.”

Township Trustee Frank Mrvan said the ability to share information among all providers is groundbreaking.

“This will allow us to capture the data of assistance,” Mrvan said. That information will position our community to help move all our struggling working families into financial stability and perhaps eradicate poverty for good.”

LETTER FROM THE NORTH TOWNSHIP TRUSTEE

“North Township abuzz with spring activities that enhance our community and quality of life”

While nature slept, the staff at North Township was working overtime on projects to improve the quality of life for all residents and visitors to our little corner of the world this spring and beyond. Here’s a sneak peak:

REPLACING TREES ...

The remaining ash trees killed by the emerald ash borer have been removed and the golf course fairways prepped for their replacements. A new canopy of foliage is greatly anticipated.

FENCING THE PARK ...

Along Ridge Road, we are eager to see new brick-and-aluminum fencing constructed along with two new entrances. Crews will begin work in April.

TESTING FOR LEAD ...

In East Chicago, those suffering from lead poisoning are getting the help they need. Families are continuing to receive assistance in finding new housing and moving. We are grateful to Gov. Eric Holcomb, who has become an ally.

ENDING CHILD ABUSE ...

The “No More Secrets” campaign is moving forward. I am humbled and thankful to business and organization leaders, who have stepped forward to create awareness of child sexual abuse and protections for our children.

ENHANCEMENTS COMING THIS SPRING TO WICKER MEMORIAL PARK

A mild winter with warmer temps and little snow has Wicker Memorial Park crews eager to begin two new projects this spring.

Park Superintendent Brett Bierman said nearly all of the ash trees infected with the Emerald Ash Borer have been removed.

"We've been awarded \$8,750 in federal funds as part of the 2016 Community and Urban Forestry Assistance grant," Bierman said. "This project will allow us to plant 120 replacements as soon as the ground thaws."

Organized by Munster Police Chief Stephen Scheckel, who serves as president of NIISSA, the group is working to raise funds to establish a multi-agency coordination center.

Derby Fest is the organization's inaugural fund-raiser – an opportunity to enjoy an afternoon peppered with Kentucky Derby festivities including a dinner worthy of the Run for the Roses and a viewing on the big screen.

“Participating in this event is a great way to have fun with friends and colleagues while supporting NIISSA's very important mission to serve and protect the region,” Event Chair Nick Popovich said.
